

Data confirmation is new to Rivera Elementary this year. We need all parents to complete this process September 25, 2020. You will complete data confirmation through the Aeries Parent Portal. Some of you may already have an account created for older siblings. Others may have to register for a new account using the email address we have on file. You can access the Parent Portal by visiting [riversideunified.org](http://riversideunified.org) and click on the “Parents” tab or by [clicking here](#).

If you are a new user for the Aeries Parent Portal, you will need to click “create new account” on the login page. If you have already registered as a parent, you will proceed by entering your email address and password. If you are creating a new account, please make sure you select “**Parent/Guardian**” as the account type for Step 1.

Step 1 requires parents to verify their email address before creating the portal account. You will be sent an email with a link to confirm. Please make sure you are using an email address that we have on file as it will not allow you to link your student’s profile to your account if you use a different email address.

Once you confirm your email address, you will then be able to log into the portal and link your student. When you picked up your child’s textbook bag, we included a sheet with your child’s

student ID number, primary telephone number we have on file, and unique verification code that will be required to add the student under your parent profile.

Once the child is linked, you will need to go through “Data Confirmation” to complete required school forms for the 2020-2021 school year. Please answer the questions as they pertain to your household. All questions must be answered or acknowledged to allow you to finalize data confirmation. Once you have completed the process, you will select “Print New Emergency Card”.

The new emergency card needs to be signed and returned to the front office at your earliest convenience. If you are unable to print from home, please save the document to your computer and attach it to an email. You may email them to our attendance secretaries, Debbie Alvarran or Riki Phelps, [dalvarran@riversideunified.org](mailto:dalvarran@riversideunified.org) & [rphelps@riversideunified.org](mailto:rphelps@riversideunified.org) respectively. They will print out the document and contact you to arrange a time for you to come into the office and sign.

If you have any additional questions or need further assistance linking your child to your parent portal account, please contact the front office at (951)697-5757. Our office is open Monday-Friday from 7:30-3:30.

Thank you for your participation in this new procedure.
