REQUEST FOR RECLASSIFICATION

DUE: by March 1

- DEFINITION:** “Reclassification” means the upgrading of a position to a higher classification as a result of the gradual increase of the duties being performed by the incumbent in such position Ed. Code 45101 (f); Collective Bargaining Unit Agreement Article VIII Section 8.3.
- OVERVIEW/GUIDE:** A reclassification request can result in a few options: 1. A reclassification request can be granted where an increase in salary is warranted. 2. The process can result in the “restructuring” of a job description that may not result in a salary increase. 3. It can be determined that a reclassification request is not actually a permanent change in the nature of the position but rather a “temporary out of class” situation which would be handled under Article VIII Section 8.1 of the Collective Bargaining Agreement. 4. Or the request can be denied.
- CRITERIA:** To be a “reclassification”, an employee must have a gradual increase in duties that are significant, required by the District, are permanent in nature and where changes require a skill level or a responsibility level higher than usually required in the classification.
- TIMELINES:** Reclassification Request should be submitted to Personnel by March 1st in a given year. A response to the employee will be rendered within one hundred twenty (120) calendar days of each deadline. If a request for reclassification is denied, a new request may not be submitted until thirty-six (36) months from the date of approval or denial.
- CONTRACT REFERENCE:** Collective Bargaining Unit Agreement contract language can be found in Article VIII beginning in Section 8.3.
